

BAE Batteries USA: Somerset, WI ~ www.baebatteriesusa.com

- Full line of DC Power Systems & Products
- DC Charging System by Hindle
- Substation Racks & Outdoor Enclosures

Delta Star Transformers: Lynchburg, VA, San Carlos, CA, Canada ~ www.deltastar.com

- Medium Power Transformers up to 150 MVA & 230kV
- Mobile Substations & Portable Substation Equipment
- Skid-Mount Substations
- Mobile Substation Repair & Reconditioning
- Transformer Field Service

Electrical Technologies Field Services: Golden, CO ~ www.electrical-technologies.com

- Turnkey Installation Service for all Manufacturers' Transformer Equipment
- Assembly, Vacuum Dry-Out, Oil Processing & Oil Filling under Vacuum
- Full Field Acceptance & Maintenance Testing Services
- Repair & Field Service Warranty Provider
- New Processing Trailers w/on board Tier 4 Generators & Online Dew Point Monitoring
- Certified 765kV Equipment Class
- Best Safety Rating in the Industry

Electrical Technologies Passive Cooling Chamber:

- Protects batteries from destructive temperature extremes
- Double or triple battery life in hot weather
- Insure at least 80% capacity in the cold
- Fully insulated interior design with R-20 insulation
- Includes two racks that are tiered and draw out for easy maintenance
- Passive cooling/heating reservoir & radiator filled with regular water
- Comes standard with a hydrogen venting system
- Standard PCC designed for 300 amp/hr battery systems and lower
- Optional Battery Charger cabinet mounted to side of PCC enclosure

Koncar Instrument Transformers Inc: Zagreb, Croatia ~ www.koncar-mjt.hr

- High quality Instrument Transformers since 1947
- Current Transformers – Type AGU
- Inductive Voltage Transformers – Type VPU
- Capacitor Voltage Transformers – Type VCU
- Combined Transformers – Type VDU
- Power Voltage Transformers – Type VPT

Manufacturer's Representative Specializing in Engineered Products and Technical Services

MindCore Technologies: Montreal, Canada ~ www.mindcoretech.com

- Substation disconnect switches from 15kV to 800kV (100A to 4000A)
- Vertical break, double side break, center break, & side break

OTC Services: Louisville, OH ~ www.otcservices.com

- Transformer Repair up to 100 MVA & 825kV BIL
- Furnace and Rectifier Transformer Repair
- Reconditioning Services – Transformers
- New Transformer Manufacturing – Small Power

Royal Smit Transformers: Nijmegen, The Netherlands ~ www.smitusa.com

- Large Power Transformers up to 1000 MVA & 800kV
- Autotransformers, GSU Transformers, Three Winding Transformers
- Fixed & Variable Shunt Reactors
- Phase Shifting Transformers

TPC Wire & Cable: Macedonia, OH ~ www.tpcwire.com

- Extremely flexible Medium Voltage Cables (5kV to 35kV)
- Custom cut lengths with no minimums required
- Terminations by factory-certified installers to provide a plug and play solution
- Storage and Deployment Solutions
- Deep inventory for significantly reduced lead times

Weidmann: Johnsbury, VT, Houston, TX, Sacramento, CA ~ www.weidmann-electrical.com

- Insulation Technology
- Monitoring Equipment
- Transformer Accessories
- Laboratory Services/Oil Analysis
- Engineering Services
